North Conway, NH 03860
www.mountaingardenclub.org
info@mountaingardenclub.org

Member of: NH Federation of Garden Clubs, Inc. - District I
National Garden Clubs, Inc. & New England Garden Clubs, Inc.

Why join a Garden Club...

BECAUSE... it is a *great* place to get to meet and get to know others within the area who share your love of gardening and the environment.

Join to learn something new!

Join for the chance to get out and do something for: yourself, your friends & the community!

Join for the fun of it!

We welcome members *at every level* of skill and knowledge and provide great opportunities to gain new information. What you learn can benefit your home, community and your future.

MISSION - The Mountain Garden Club is dedicated to promoting horticultural education, civic beautification, and conservation through volunteerism and friendship in the Mount Washington Valley.

VISION - Our vision is a community where the Mountain Garden Club is recognized as the organization in the Mount Washington Valley for "all things green":

*Horticultural Education
Civic Beautification
Environmental Stewardship*

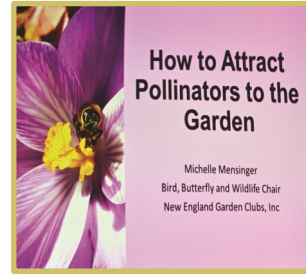

HISTORY - The Mountain Garden Club was founded in 1973. In 1976 we became a Federated member of the NH Federation of Garden Clubs – District 1, National Garden Clubs, Inc. and New England Garden Clubs, Inc.

The Mountain Garden Club (MGC) is a registered Non-Profit 501(c)(3) organization.

MEETING SCHEDULE - we meet on Mondays, once a month, September to June (see back for schedule). There are no business meetings in the summer months to allow members to devote time to other projects, Valley Beautification Sites, and their own gardens.

PROGRAMS -

An array of talented speakers lecture and present educational and informative programs at our monthly meetings. This provides many learning opportunities for members on a wide variety of subjects from experts in their respective fields.

ACTIVITIES -

The Mountain Garden Club sponsors: Scholarships for students interested in any form of Environmental or Horticulture related study, Flower Sales at our annual Winter Boutique and Spring Plant Sale, and Summer garden tours of members gardens. Our fundraiser events help support the scholarship fund, special community projects, and also provides funding for our regular programs which are open to our members and the public.

The Mountain Garden Club members routinely organize special trips to public and private gardens, museums and flower shows (as a member social activity).

Every year, the Mountain Garden Club adopts a number of locations around the Valley that could benefit from the experience of our members. This valley wide program is called Valley Beautification Sites - (VBS) which includes: roadside beautification, planting and maintaining public properties in summer, and holiday decorating in winter. We also work with StoryLand to plant gardens prior to opening for which we receive a donation to our Scholarship fund.

Mountain Garden Club Projects are open to participation by all members. Information is available at meetings and emailed to the membership.

Membership Application Form

Name _____

Address1 _____

Address2 _____

City / ST/ Zip _____

Email _____

Phone _____

Name of Spouse/
