Garden club donates to Jen's Friends

Mountain Garden Club member Lee Coffield (left) presents a check for \$800 to Wendy J. Holmes, president of Jen's Friends Cancer Foundation. The garden club raises money for Jen's Friends through sales of flower bulbs and has donated \$6,000 to the group since 2002. Jen's Friends currently supports 70 Mount Washington Valley families undergoing treatment for cancer, helping pay for food, transportation, lodging, heating fuel and other expenses not covered by health insurance.
